

## Product Information

### AGOLIN RUMINANT L

<b>Description:</b>	AGOLIN RUMINANT L is a blend of flavouring compounds for animal nutrition. Appearance: transparent, slightly yellow Structure: liquid, water dispersible Odour: coriander like
<b>Active ingredients:</b>	AGOLIN RUMINANT L is a carefully balanced combination of essential oil compounds in their natural / nature-identical form. All active substances are of high purity and are accepted for use under current European animal feed and human food legislation.
<b>Mode of action:</b>	AGOLIN RUMINANT L helps to optimise feed intake and digestive functions.
<b>Utilisation:</b>	For feed production only.
<b>Recommended dosage:</b>	Dairy cows 0.8 – 1.2 g / head / day. Beef cattle 150 – 200 mg / 100 kg live weight / day. Sheep and goats 0.1 g/head/day
<b>Incorporation:</b>	AGOLIN RUMINANT L should be incorporated into premixes, concentrates (prior to mixing in feed in order to ensure a homogenous distribution) or drinking water.
<b>Storage:</b>	Store in a dry place and at less than 25°C. Once opened, contents should be used within a short period of time. Carefully seal the container after each withdrawal. Avoid storage of AGOLIN RUMINANT L in plastic or plexiglass containers.
<b>Expiry date:</b>	18 months after production.
<b>Stability:</b>	AGOLIN RUMINANT L is stable in premixes, concentrates as well as in mash, pelleted or expanded feed or drinking water.
<b>Palatability:</b>	At the recommended dosage AGOLIN RUMINANT L is readily accepted.
<b>Compatibility:</b>	AGOLIN RUMINANT L is compatible with other commonly used feed additives such as yeasts, probiotics, etc.
<b>Tolerance:</b>	At three times the recommended level, feed intake might be reduced.
<b>Safety for non-target animals:</b>	In case of accidental access to non-target animals, AGOLIN RUMINANT L presents no particular risks.
<b>Packaging:</b>	AGOLIN RUMINANT L is available in 20 to 200 kg drums
